## Product Name Upside Down Inverted Umbrella

**Description** This upside down inverted umbrella made of Pengji cloth. J shape and O shape handles. It works brilliantly and is easy to open up to protect you from the elements. It will also keep the wet part of the umbrella inside once you've closed it, meaning things don't get dripped on when you put it away after coming indoors. Instead, the water runs off while enclosed by the folds of the canopy. Perfect item for Wedding party,

promotional, advertising, gift, commercial, event, outdoor, souvenir etc. Show your logo on this awesome product.

**Material** Polyester
