

## **Product Name** BC4215 Cannabis Strain Tracker

**Description** This hardcover, guided journal is a perfect giveaway for events and trade shows as well as a branded retail item for dispensaries or online merchants. Designed and published exclusively for the promotional products industry through a partnership with Green Flower Media, a leading online source for cannabis courses and content. The Cannabis Strain Tracker provides cannabis users with clear understanding about how each

product, strain, method, dose impacts each person differently, allowing users to get the most value from the Cannabis plant. Benefits of strain tracking include learning how to use specific products for specific situations to customize effects, and avoiding products and strains that have unwanted negative side effects.
